IRISHMEN FOR SCOTT .- We have before us the card of over a hundred Irishmen in the city of New York, published in the whig papers of that city and giving their place of ocracic party to show where Franklin Pierce residence, in which they declare their unal. did, at any time from the the adjournment of terable determination to vote for Scott.— March, 1851, when the vote was taken on Part of their reasons we give, and commend the adoption of the Constitution, say any them, not only to their own countrymen, thing in favor of abolishing said test, and we but to all who wish to vote right in the pres. further say that we hold the Democratic purent canvass. They say:

Winfield Scott is in favor of principles laid down and advocated in Ireland by such men as Lucas, Swift, Grattan, O'Connell and Meagher; in favor of Protection to Home Industry; while Franklin Pierce is in favor of the doctrines of the L ndon Times, which would follow the Celt, whom he had hunted from house and home, from the Island John McCarty, of his birth into this country, and here, be- Michael Phelan, neath the very wings of the American Eagle, make him a machine for consuming British manufactures, and thereby make him sustain the very policy which had hunted him from his home.

Michael Phelan, John Kelly, Michael O Connor, Patrick Phelan, Edmond Kelly, Phelan, Patrick Phelan, Patrick

Because Winfield Scott is in favor of, and Jeremiah Carrol, Franklin Pierce is opposed to, Internal Improvements, by which the laborer can make Michael Scully, money with which to commence the world; James Muffin, and of such a disposition of the Public Lands as will secure comfortable, free and independent homes for the honest laborer.

That Winfield Scott has been for forty yeas before the public, distinguished alike in war and peace, the great benefactor and most beloved of soldiers, both by naturalized The Statesman, a few days since, felt very and native citizens; while Franklin Pierce much grieved because some three or four

try and all its citizens, no matter on what soil did not dissent, these persons are entitled to they were born, or from what nation they vote.

heart in his bosom. zen, does not point with pride to that men! page of the History of the United States, But I did not commence this article to the faithful soldier.

day of pride and power, and whose whole a Catholic!

compared with the narrow minded bigotry of office, provided they nrend Catholius.—

New Hampshire, the native State of FrankThis will be consist any with a vengeance.

Availabasia.

A letter of the same date says nearly all the Nova Scotia fisherment. At length, the child's frequent men are detained by the steamer Devastaion of his party and political associates, and which is now the only State in the whole Confederacy where men are proscribed on account of their religious faith.

the State. The evidence of his labors so to

ber. Several elections to fill vacancies in the State Legislature, &c., have resulted in the choice of Whig officers in districts hitherto Democratic. So great indeed has been the stampede from the Democratic ranks, that a correspondent in Tippah county, writing to an eastern paper says:

Don't despair of Mississippi-at least ten democrats out of every one hundred refuse to support Pierce.

Send me all the documents you can get hold of. If the Whigs do not carry this State for Scott, they never will!" The vote of Mississippi stood in 1848:

For Cass, 26,555 For Taylor, 25,831

Majority against us in 1848

A NOTHER INTERESTING LETTER .- The fol- cofocoism was left to mourn the result.

lowing letter from a distinguished German Democrat of this city, is another evidence of "the way the wind is blowing" It will Congressmen; and taking the Congressional blow such a hurricane before the 2nd of November, as will not leave a vestige of hope shaking and trembling at the result, the Bec. that the Pieace and King craft will ever word is again given, "Crow, Chapman, crow!" and the chickens little and big crow reach the haven of success:

I am a foreigner-a German-and a Demo- claiming 20,000 to 25,000 locofoco majority erat. I came to this country in 1830. I in Ohio, when the returns show but 10,000 served, in 1836, in Florida-first under Gen. to 12,000 on a popular candidate for Judge. GAINES, and then under Gen. Scott. Now, Messrs Editors, that my position may be dis-tinctly understood in the community, (hav-and the crow of his imitators in 1852 will ing been considerably annoyed on this sub- not delay an hour the morning in November ject,) I desire to state, through your paper, wi en "Scott leads the column" in triumph. the reason why I intend to vote for Gen. Cleve. Her. Scorr. It is this: When I was sick, wounded, and suffering intense pain, in Florida, Gen. Scorr took charge of me himself, and Austin Southwestern American, of treated me as a father would have treated 29th ultimo, has an official account of Capt. his son-as he did all the men under his Owen Shaw, of the Texas Rangers, of a secommand who were so unfortunate as to be vere fight between his command and a parsick or wounded. This was when I was a ty of Indians. The dispatch is dated "Camp mere private in the ranks. When my sec, 15 miles above Laredo, Sept. 22," and wounds were dressed by the surgeon, Gen. Scorr held my arm, and said: "Hold still, Shaw states that the Indians consisted of VOLLMER-I am with you, and will have all 19 men and two women, of whom nine were things done right with regard to your killed and the rest desperately wounded. wounds."
